

Natural Solar is a brilliant Company :
They have installed the first Sonnen battery system including solar panels in
Winmalee (Blue Mountains) October 2017

- #1 Sales people : Excellent and caring.
- #2 Electrician : Brilliant and exact.
- #3 Panel installer : Precise and efficient.

Before solar installation !:

#4 AGL electricity company bill shocks are: (\$600-\$800-\$1200 etc. inclusive discount a quarter !
“ What’s next bill will be ????? \$\$\$\$\$\$....”)

#5 Don’t think the discount you get from the electricity company, That the prices will not go up to
the same amount you asked for the discount in the first place.(False economic or Fool’s
paradise)

After solar and Sonnen battery Installation !

They advertising \$0 electricity bill with “SonnenFlat” (It is actually true)

#6 SonnenFlat first bill 2018 : (\$91 a quarter. For a 8 kWh Sonnen battery you will pay
only \$30 monthly fee and **No electricity bill**)

#7 instead of waiting for the next bill shock a , You can start budgeting again.

#8 If anyone pays \$1500 + for your electricity ?

You better invest your dollar in to SonnenFlat battery and solar panels and pay \$0 electricity !

They can offer you an interest free payment solution.

Sonnen Battery

#9 extremely smart Sonnen battery almost an “AI “

#10 Independent smart meter

#11 Sonnen app (Track your : Production, Battery Charging & Dis-charging , Consumed, Grid
purchase and Grid feed in .

Value of your Home ?

#12 It’s adding at least \$6000 of every kilowatt solar value to your House.
