5. All of the listings were recorded about 1/2 hour in figures that are in preparation for the listing.

4 Here, the treble strings are almost on and complete. The Swiss master, Emanuel, is admiring his beautiful work.

7 The master piano string maker preparing to spin and make the Bosendorfer grand pianos strings. The strings at the lower end of the piano weigh almost one kilo! In. The string is made from a steel core with an outer layer of copper wire spun onto the steel.
